

CAPABILITY STATEMENT

COMPANY OVERVIEW

Founded in 2019 by Melissa Salmeron, Veloz IT Solutions, LLC is an Economically Disadvantaged Woman-Owned Small Business (EDWOSB). We provide custom mobile and desktop application development using Agile Frameworks, such as Scrum, Kanban, and XP. Our highly, talented workforce includes Scrum Masters, Product Owners, Full Stack Engineers, Automation Testers, and Agile Business Analysts. Veloz brings the right mix of skillsets to each engagement, allowing us to provide an innovative Agile and SecDevOps mindset for rapidly developing high-quality, working software. We value continuous improvement and customer collaboration. In the trenches, we have experience with a vast range of Agile project maturity levels and will start by understanding your transformation challenges.

CORE SERVICES

- Agile Software Development
- Agile High Performing Teams
- Agile Session Facilitation
- Agile, Scrum, Kanban, SAFe Expertise & Training
- Agile Coaching for Teams & Enterprise

DIFFERENTIATORS

- **Credentials & Proven Experience:**
With leading industry certifications plus over 20 years of consulting experience across multiple Federal agencies, Veloz IT Professionals have a proven track record in consistent and timely delivery of quality working software.
- **Scalable Workforce:**
Partnering with us ensures the highest quality personnel because of our intensive screening process that measures technical and interpersonal skills for your agency's needs.
