

Through our **Total Service -Total Commitment®** and **Total Solution - Total Compliance** approach, TSTC is committed to integrity and quality in our integrated support solutions so that our clients can focus on what is important:

The Mission

Focused and Integrated Core Services

 Program & Acquisition Management	 Cybersecurity & Risk Management
 Financial Management & Internal Control	 Data Analytics
 Intelligence & Analysis	 Digital Transformation & Cloud Modernization

Industry Experience

Transportation Security Administration (TSA):

Development and prioritization of TSA's Mission Essential Capability portfolio; analyses of identified capability gaps, creation of COA's for solutions to the gaps; and enterprise-level, cross-domain security risk analysis and management.

U.S. Coast Guard (USCG):

Programmatic, technical, and cybersecurity support for USCG's Intelligence Directorate (CG-2) cloud migration of maritime analytics systems, to include related physical and information assurance. Logistics IT system support for USCG Asset Program Office (APO). Communications Support for Transformation initiatives.

Federal Protective Service (FPS):

Mission support and programmatic analyses.

U.S. Secret Service (USSS):

Financial management & internal control support for multiple in house and third party financial systems that process over \$4B/year.

Health and Human Services (HHS):

Strategic analysis and vision to HHS CFO for audit readiness and remediation.

Treasury Financial Crimes Enforcement Network:

PMO support for all OCIO IT programs and projects; implemented organizational change management and Lean Six Sigma.

DHS Countering Weapons of Mass Destruction:

Risk and gap analysis support.
