Red Cedar TG is an SBA 8(a) certified Tribally Owned Small Disadvantaged Business (SDB) consultancy with expertise spanning software engineering, enterprise architecture, indoor/outdoor fiber optic installation, low voltage cabling solutions, and other IT services. Our core service offering is the delivery of innovative, client-specific solutions that drive mission success while remaining responsive and adaptive to emerging technological challenges and operational threats. Utilizing our 8(a) certification allows your agency to award sole-source contracts to us, streamlining the procurement process and providing you with an efficient and reliable partner to meet your needs.
